I am happy to assert that, stepping into its nineteenth successful year, Seshadripuram Academy of Business Studies has become one of the most acclaimed educational institutions in the vicinity. I acknowledge the selfless efforts of every individual who has supported us on our path of achievement towards success. With its keen emphasis on curricular and extra-curricular activities, the institution under the umbrella of Seshadripuram Educational Trust has created a niche for itself. The staff and students have preserved this bastion for us to enjoy its accolades today.

We, at Seshadripuram Academy of Business Studies, provide students with life experiences, skills, social values knowledge and holistic personality development through the proximity of faculty members during working hours as well as extended hours via online and offline modes.

Our students Ms. Sindu G of the BCA Department has secured the 5th rank in the Bangalore University examinations Ms. Netravati G.R. of the BCA Department has secured the 9th rank in the Bangalore University examinations. Ms. Bhumika L of the BBA Department has secured the 6th rank in the Bangalore University examinations. Our B.Com students, Apoorva N, Priyanka V, and Tejas L, have secured Gold Medals in the Bangalore University examinations and have carved a niche for our institution among the 280 colleges affiliated to Bangalore University. They have brought laurels to the institution and have made us proud. This also stands in evidence of the efforts of the staff of our college to bring out the best in every student.

Our institution has obtained a 'B' Grade in the First Cycle by the National Assessment and Accreditation Council. As a responsible Higher Educational Institution, SABS is all set to apply for NAAC accreditation for the second time. Our institution is multicultural and multi-ethnic, fostering a vibrant and inclusive learning environment. We aim to motivate students to realise their potential by organising activities and events to enrich their knowledge. Laying equal emphasis on curricular and extra-curricular activities, the meticulously planned calendar of events is executed to provide various platforms for the students to exhibit their talents and also strengthen their skills. While strengthening the students academically, we also intend to make them socially responsible. Under the motto "Service to Mankind is Service to God," the institution has ASMITHE, a

Community Oriented Forum, and our NSS volunteers participate in various activities for serving the society. Civil defence volunteers are getting free training for emergency services such as Rescue Operations, Fire Fighting, law enforcement, Medical Care, Public works repair and assisting in recovery operations. On a voluntary basis, we train students to protect citizens during emergency conditions such as military attacks and national disasters.

Civil Defence volunteers and NSS volunteers have represented our college at State Level RD Parade continuously for the past 4 years. NCC main motto is "Unity and Discipline". It is aimed in developing character, comradeship, discipline and a secular outlook, the spirit of adventure and ideals of selfless service amongst young citizens. Our staff and students have also visited various schools and orphanages and done their best to extend community service. Our students have brought laurels in academics, co-curricular, sports and extra-curricular activities making a premier institution.

SABS has always been a hub of innovative activity and faculty members with the leadership of Principal collaborate with the industry as well as academics. They are continuously on the lookout of opportunities to add to the body of knowledge in their chosen field with the unbeaten record of achievements in academics, sports and arts, today SABS has become a place where students realize their potential and faculty advance knowledge. SABS is the forerunner of holistic education envisioning the transformation of students into professionals.

Each student takes part in society as a responsible citizen, dynamic professional and empathetic human. We are providing opportunity for young dynamic individuals to contribute to enhancing skill development and promote economic development.

As quoted by our late President APJ Abdul Kalam "Confidence and Hard Work is the best medicine to kill the disease called failure. It will make you a successful person." The institution is doing its every bit to live by its motto "Dedicate to Excel" and focussing on the holistic development of every student to contribute socially responsible citizens. My heartfelt thanks goes to the Seshadripuram Educational Trust and all our stake holders without whose support we could not have pursued this noble endeavour.
