REPORT

Name of the Event: Student exchange & Recycling programme on Waste Management

Associate Institute: E-Sree Foundation WOW ITC

Timings: 12:30 am

Total Participation: 75

Target Audience: NSS and Eco-Club Volunteers

Waste Management or disposal includes processing and disposing of Waste starting right from its point of inception to complete disposal. The three R's of Waste Management, i.e., Reduce, Reuse and Recycle should be followed at every place possible. These methods of Waste Management are mostly environment friendly and help avoid resorting to Waste Management measures like landfill and incineration that are harmful to humans as well as the environment.

In the view of this Eco-Concern Seshadripuram Academy of Business and the committees Eco-Club and NSS jointly organized a Student Exchange and Recycling Programme on Waste Management. The Bags were distributed to the students and asked them to collect the Dry waste such as Paper Waste and Plastic waste. The waste brought by the students were weighed and based on the No. of Kgs of waste brought by them, E-Sree Foundation and WOW ITC quoted the Price to the equivalent of Price the students were been given with the Stationery of ITC company Classmate stationeries to them.

On the whole the students got an idea that the Waste can be transformed to the Best by its proper treatment. Therefore, this initiative helped the students in creating awareness that management of waste and recycling will a better contribution for sustainable environment.

REPORT

Name of the Event: Waste Management

Associate Institute: E-Sree Foundation WOW ITC

Timings: 11:30 am

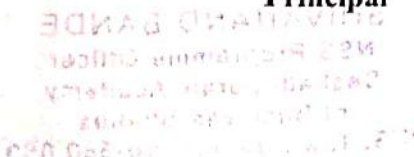

Total Participation: 150

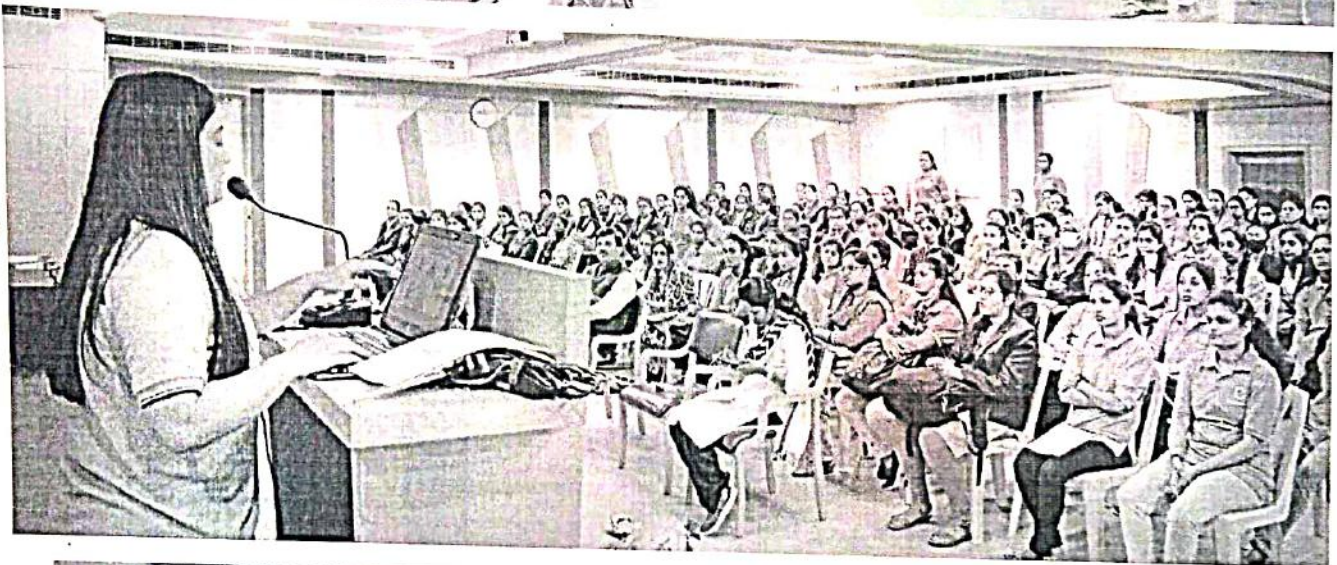

Target Audience: NSS and Eco-Club Volunteers

Waste management is essential in today's society. Due to an increase in population, the generation of waste is getting doubled day by day. Moreover, the increase in waste is affecting the lives of many people. In this regard the college has taken initiatives in the view of waste management. To support the cause the workshop has been organized by NSS and Eco-club in association with E-Sree Foundation WOW ITC to create awareness among the student on segregation of waste like wet and dry waste and to contribute towards solving the waste management crisis. The Institution joined hands with E-Sree Foundation and WOW (Well Being out of waste) an initiative for Environmental and Recycling solutions.

The Orientation was conducted by the Resource Person Ms. Anuvatha Project manager, of E-Sree foundation and Ms. Harika P S Assistant Project Manager- E-Sree Foundation to the students and bags are been provided to collect the dry waste available based on the value of waste collected by the students they will awarded in return with the stationaries that are prepared through recycling. The workshop was successful creating the awareness that the wrong disposal of waste by we humans will lead to the destroy of the beauty of mother earth that is the destroy of our lives.
