**DATE: 10 – 08 – 2022**

**REPORT**

**Name of the Event:** Student exchange & Recycling programme on Waste Management

**Associate Institute:** E-Sree Foundation WOW ITC

**Timings:** 12:30am

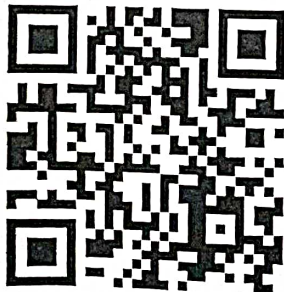

**Total Participation:** 75

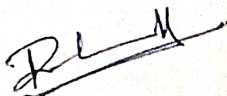

**Target Audience:** NSS and Eco-Club Volunteers

Waste Management or disposal includes processing and disposing of Waste starting right from its point of inception to complete disposal. The three R's of Waste Management, i.e., Reduce, Reuse and Recycle should be followed at every place possible. These methods of Waste Management are mostly environment friendly and help avoid resorting to Waste Management measures like landfill and incineration that are harmful to humans as well as the environment.

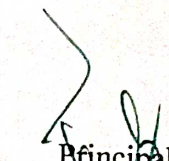

In the view of this Eco-Concern Seshadripuram Academy of Business and the committees Eco-Club and NSS jointly organized a Student Exchange and Recycling Programme on Waste Management. The Bags were distributed to the students and asked them to collect the Dry waste such as Paper Waste and Plastic waste. The waste brought by the students were weighed and based on the No. of Kgs of waste brought by them, E-Sree Foundation and WOW ITC quoted the Price to the equivalent of Price the students were been given with the Stationery of ITC company Classmate stationeries to them.

On the whole the students got an idea that the Waste can be transformed to the Best by its proper treatment. Therefore, this initiative helped the students in creating awareness that management of waste and recycling will a better contribution for sustainable environment.

**Eco – Club, NSS, Asmithe**

An Initiative was undertaken by Seshadripuram Academy of Business Studies in Association with Karnataka Pollution Control Board on creating awareness about crackers free Diwali on 26<sup>th</sup> October to 28<sup>th</sup> October 2021 IQAC presents by Eco – Club, NSS, Asmithe.

The members of Eco – Club and NSS visited different colleges and schools with the message and plug cards, and created awareness in the young minds that about the consequences of bursting crackers as per the study made by our students the Consumer product safety survey commission reported in 2020 estimated that about 15600 people were hospitalized with injuries related to fire works As per study it depicts that every Diwali drops the air quality 50 times below healthy levels and increases 30% of greater risk of respiratory problems. And the animals tremble with fear due to noise pollution.

In order to convey this message to the maximum people a video was created and circulated to among the different groups in social media platforms. Hence, this initiative from Seshadripuram Academy of Business Studies upheld the concern towards environment, and lives on earth. We thank Karnataka pollution control board was giving us the support in the conduction of the event successfully.

## Visit to Schools and Colleges

The students of Seshadripuram Academy of Business Studies visited different schools and colleges nearby locality to create the awareness on Crackers free Diwali with plug cards and hoardings.

### List of Schools and Colleges Visited

Serial Number	School / College Name
1	Seshadripuram college academy of business studies
2	Kengeri first grade college
3	Government Degree
4	New Balaji English high school
5	Kengeri high school
6	Kengeri PU College
7	Spurithi vidyaniketan
8	Ramakrishna school of education
9	New horizon public school
10	SVS public school
11	St John public school
12	NRI PU college
13	Radha Krishna School of Education
14	New Horizon Public School
15	Holy Child English School
16	Vidya Bharathi High School
17	Sri Ram Global School
18	Seshadripuram Independent PU College

#### Kengeri First Grade College

College appreciated the theme and the efforts made by our institution in creating an awareness and taking the initiative on protection of environment for the future generations. As per the feedback collected, they rated 4 each on the basis of concept, reachability, and presentation made out of 5. Therefore, our students received the positive feedback from the institution.

#### Government Degree College

The subject was well received by the college, towards institutional efforts in raising awareness and taking action to safeguard the environment for future generations. According to the feedback received, they each gave a 3 out of 5 for concept, reachability, and presentation. As a result, our pupils received great comments from the institution and suggested as good awareness program.

#### New Balaji English High School

The institution gave a positive feedback on the work done by the students in creating the awareness about crackers free Diwali which was necessary to be induced in the young minds who are the future of nation and it helps them to develop the positive approach towards the environmental concern. As per their feedback received, they rated 5 out of 5 for concept and presentation and 4 reachability of awareness as they suggested for the little bit usage of kannada. Therefore, on a whole the institution appreciated efforts from the side of SABS and its pupils.

## **Kengeri High School**

The school offered excellent feedback on the students' work in raising awareness about cracker-free Diwali, which was important to inculcate in the young minds who are the nation's future leaders and helps them build a healthy attitude toward environmental issues. According to the comments they got, they gave a 4 out of 5 for concept, presentation, and reachability of awareness since they advised little more information is required. As a result, the institution as a whole praised its students' efforts and their initiative.

## **Kengeri PU College**

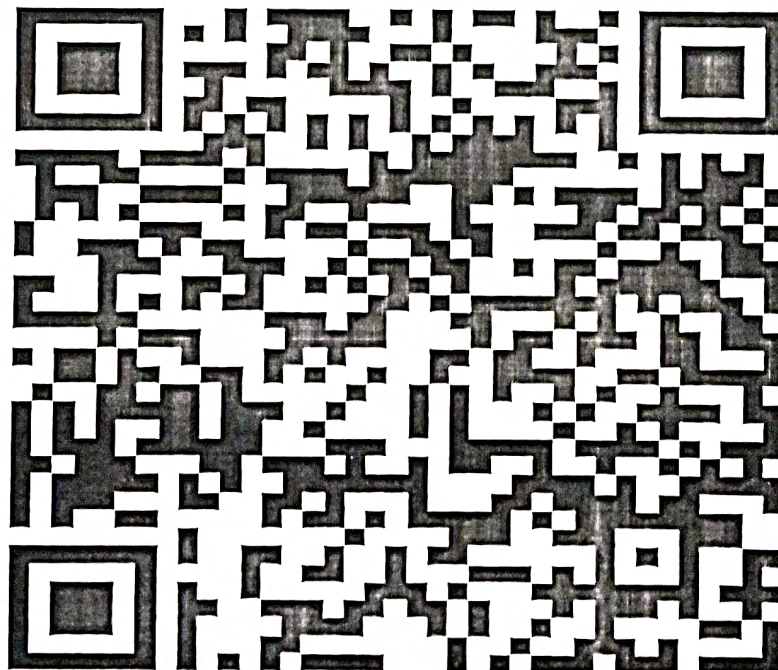

The university gave the positive feedback on raising awareness about cracker-free Diwali, which was in need to be educated in the young minds to build a healthy motto and approach towards environmental issues. As per their opinion, they gave the concept, presentation, and reachability of awareness a 5 out of 5 rating, and they recommended that the institution put up its best efforts, which they liked.

Therefore, on a whole the group of students visited 18 schools and colleges to create an awareness on celebrating Green Diwali to protect the environment for the future generations and for survival of present generation, because without good environment there is zero chances to better life. The enclosures of visits to schools and colleges and the feedback have been attached below. For the access of details and documents access through
