Dear Sir,

Sub: Quotation for Waste Papers, Old News Papers and Old Examination Paper.

As the entire World is on an environment protection drive to *Save the Nature*, ITC-PSPD LTD & Environmental & Recycling Solutions India- ERS India Has initiated National Recycling Project Well Being Out of Waste "WOW" to protect the environment and reduce Global warming by recovering valuable recyclables and recycle them. One ton of paper recycled can save 22 fully grown trees & 7000 gallons of water. The effort is to create awareness among citizens, institutions, business establishments and corporate office etc. on the need for waste avoidance, source segregation, maximum recycling, minimizing landfill, to help improve the environment and work towards a Clean and Green Society.

Against this backdrop we have collaborations with Households, Corporates, Institutions, Municipalities and the responses are very encouraging and have come forward to support this environment initiative. To name some supporting Corporate and Industry such as NGRI, Railway Recruitment Board, BEL, Himalaya, HSBC Bank, Mahendra Satyam, HCL, Wipro, Oracle India Pvt Ltd, Mphasis, DBS Bank, Indusland Bank, Standard Chartered Bank, State Bank of India, Tesco, Biocon, SIMS, Sri Chaitanya Techno Schools, NPS, DPS, 60 Wards in Bengaluru.
